Spring Fundraiser Gala

Family Health Services provides affordable high-quality health care to thousands of uninsured, low-income patients in South Central Idaho. Many of our patients require further screenings and diagnostic testing that often come with hefty price tags which many of our patients are unable to afford. In 2018, we raised over \$26,000 to help Magic Valley patients. All proceeds will go to a fund to benefit Magic Valley residents.

Please help us raise funds for this life-saving program. Tickets are \$50 per ticket and can be purchased by contacting Robert at (208) 737-6711 or visit fhsid.org/foundation for more information.
